

SECTION 311 REPORT FORM

Reportable storage is a quantity meeting the reporting threshold under section 311 or 312 of EPCRA. This submission is due within 90 days of beginning reportable storage.

Submit a revised notification if you begin storage of a new reportable chemical, if new physical and health hazard information becomes available for a chemical you have already reported, or if you significantly increase your reported inventory.

Submit one copy to the Local Emergency Planning Committee (LEPC), a second copy to the local Fire Department, and a third copy to the State Emergency Response Commission (SERC) at: SERC- DENR, Joe Foss Building, 523 E. Capitol Ave., Pierre, SD 57501
