

Newsletter & Commission Report August 7, 2018

PERSONNEL:

- So far there have been no applicants for deputy sheriff. It closes on August 15. After that, it will be “open until filled”.
- Response to the chairman about Sheriff’s DeBoer’s departure / timeline (see attached letter).
 - When to announce the search for a new sheriff.
 - Setting of position requirements.
 - Use of others sheriffs in hiring process. The following sheriffs have offered to help:
 - Todd Holtz, Edmunds County: 605-426-6262
 - Kevin Schurch, Spink County: 605-472-4575
 - Jason Weber, Jerauld County: 605-539-1311
- **Steve Flanagan** has not returned to work since last August. I believe we should remove him from the payroll. He does have some pending case work but we can work other arrangements for compensation and travel, like witness fees.

TRAINING:

- Deputy Anderson and Reggie attended a day in-service in Moberge. These are monthly training sessions with other dog handlers and dogs to keep their skill set in check.
- PT Deputy Tala Sandness attended a multi-day training called “instructor development” This is a prerequisite for becoming a firearms instructor. Having an “in house” firearms instructor will make it much easier to maintain firearms qualifications and training for new staff. Deputy Sandness will attend firearm instructor training in August.
- **Deputy Anderson** has requested to attend a two-day training course in Sisseton. The training tuition is paid by a grant but room and board is on the agency. I am asking permission for two nights of lodging and for him to attend.

OPERATIONS:

- We are working a modified schedule because we are short handed.

EQUIPMENT:

- **Shotgun:** I have not found the “right” deal on a new shot gun, but I have purchased the “orange”, “Non-lethal” stock and front stock for the old shot gun. This shot gun shoots bean bags, similar to getting hit with 100mph fast ball.
- **Tires:** I would spend approval to purchase four new tires for the 2017 Ford patrol car. The tires that came on the car are not “all weather” and have worn enough that they would be useless this winter. I expect the tires to run between \$150 and \$175 each (\$600 to \$700) unless I can find a super sweet deal.
- **Cellular Phones:** FirstNet Public Safety Network with AT&T (pricing sheet)

GRANTS:

- Chelsea Kendrick has submitted the reimbursement requests and we have started to receive payment.

ACTIVITIES:

- My **YEAR TO DATE** activity report is attached to this newsletter. This information is also uploaded to the sheriff’s page on the Hand County Website. It can be reviewed at any time.

Hand County Board of County Commissioners
c/o: Hand County Auditor's Office
415 West 1st Avenue
Miller, South Dakota 57362

Re: End of Sheriff's Term / Orientation in Auditor's Office

Commissioners:

I was asked to provide the commission with an outline of what to expect by way of my departure as sheriff and the beginning of my term as auditor.

South Dakota Codified Law, 7-7-1 says, "Except when otherwise expressly provided, the regular term of office for all county officers, when elected for a full term, shall commence on the first Monday in January next succeeding their election, except the office of county auditor, the term of which shall begin on the first Monday of March next succeeding his election."

This means that my term as sheriff would expire on the Sunday proceeding the Monday listed above, but in reality, I suspect it best to hand over the keys on the Monday the new sheriff would take office.

The auditor does not take office until Monday, March 4th. This leaves two months in which I can help train the next sheriff and also receive training as the county's new auditor. I can envision spending one month mentoring the sheriff (through January) and being mentored as auditor through February, if you are so inclined.

As sheriff, I will need this time to wrap all of my open work, prepare it for transition and deal with the evidence in storage that can be disposed of prior to ending my term. Some of these items will have to carry over.

Please let me know if this presents any questions you might have.

Sincerely,
Doug DeBoer - Sheriff
