The Board adopts the “Statement of Equal Opportunity Employment” of the Hand County Personnel Policy.

3. EMPLOYEE CONFIDENTIAL HISTORIES. A confidential history file will be kept for each employee. This file will contain information concerning employment date, years of service, payroll and insurance data, general information (employee’s home address and phone number, who to notify in case of an emergency, etc.) The employee confidential history file will be a confidential file that is only available to the Director, the Library Board of Trustees, and the staff of the Auditor’s Office.

An orientation period of 12 months from the date of hire is established for all employees who work less than 40 hours per week. While being orientated, the employee shall be compensated at less than the current hourly salary for that position. During this time, the Director will evaluate the employee. The employee must demonstrate the aptitude and

ability to satisfactorily perform the assigned duties of the position to which he/she is assigned. At the end of the orientation period, if the employee has met the qualifications for the position, he/she will be classified as permanent full-time, $\frac{3}{4}$ time, $\frac{1}{2}$ time, or less than $\frac{1}{2}$ time, with the anniversary date being the original date of hire. If the Director determines the employee is not capable to perform the duties of the position, employment may be terminated during or at the conclusion of the orientation period. During the orientation period, a new employee may be discharged for any reason. An employee, upon changing from orientation to permanent status and after being evaluated, will receive an increase in salary and will have earned vacation and sick leave during the orientation period.

6. PAY PERIOD-All employees will be paid once per month, on the last working day of the month.

7. REDUCTION IN FORCE-Upon majority approval of the Board of Trustees, with approval of the Director, any library employee may be laid off for lack of work or funds without reflection on his/her standing. Reductions in force shall be based on seniority and/or the review of past work record. At least 2 weeks notice of the effective date of reduction in force shall be given each employee affected. If later circumstances justify re-hiring, due consideration will be given to re-instating persons released under reductions in force. If the employee is re-hired within thirty days, the employee will not lose previous benefits. Re-hired after thirty days, the employee will be treated as a new employee and will receive all benefits afforded a new employee.

8. RESIGNATIONS/TERMINATION-Resignations from employment must be by written notice at least 2 weeks in advance, preferably one (1) month. Leaving without two weeks notification will result in loss of accrued vacation and sick leave for non-exempt employees. Proper notification will enable the non-exempt employee to receive pay for vacation and sick leave to his date of termination. Any unauthorized or unearned vacation or sick leave taken shall be deducted from the last paycheck. An employee may be discharged by the action of

the Director, with approval of the Board of Trustees, if the work of the employee is unsatisfactory. A 2-week notice will be given in this instance. Discharge without notice may be given for gross misconduct or insubordination. Upon leaving, all keys and library property must be returned in order to receive a final paycheck.

Article 11. Perquisites

1. HOLIDAYS. The library shall observe all legal holidays as defined by the South Dakota Codified Laws and every day appointed by the President of the United States for federal employees or the Governor of the State of South Dakota for any state employees. Library employees scheduled to work on a legally recognized holiday as stated above will receive compensation for the number of hours normally worked on that day.

2. VACATIONS. All vacation leave becomes available at the annual anniversary date at the following rates, and may not be carried over into the following year:

A. Full time employees who regularly work 40 hours or more per week shall receive 40 hours of paid vacation after one year of employment; 84 hours of paid vacation after two through seven years of employment, 120 hours after eight through fourteen years of employment, and 168 hours for fifteen years and over.

B. $\frac{3}{4}$ and $\frac{1}{2}$ time employees who regularly work 20-39 hours per week shall receive a paid vacation equal to 24 hours after one year of employment, 42 hours after two through seven years employment, 60 hours after eight through fourteen years employment, and 84 hours for fifteen years and over.

C. Employees who regularly work a schedule of less than 20 hours per week are not entitled to vacation or other employment benefits.

D. In the event an employee leaves the employ of the County for any reason, the employee shall receive vacation pay in the amount to which the employee has become eligible.

Employees must be employed for one year before they are eligible to receive or be

compensated for vacation hours. In the event of the employee's death before taking accrued leave, the full vacation pay due will be paid to the individual the employee has designated to receive any accrued wage.

3. SICK LEAVE. Sick leave is a benefit that provides for paid absences to cover approved visits to a licensed health care practitioner and all illnesses only of the employee, his or her spouse, parent, and/or children. The Library Director reserves the right to request a statement from a physician or clinic. If sick leave is abused, loss of sick leave pay will result, and will be deducted from the next paycheck.

Sick leave is accumulative during the first year of employment, to be used after first anniversary date of hire. Rate of Accumulation after one year's employment for full time employees is 72 hours per year; $\frac{3}{4}$ and $\frac{1}{2}$ time employees, 36 hours per year.

Accumulated sick leave-If an employee does not use his sick leave during the year, sick leave may accumulate to a maximum of 720 hours.

Sick leave upon employee termination or resignation-When termination is through no fault of the employee, or upon the resignation of an employee, one-fourth of accumulated sick leave, up to 180 hours, will be paid to employees who have worked for Hand County Library continuously for at least seven years. The accumulated leave is calculated by the rate of pay at the time of resignation as of the last working day. If the reason for leaving the employment is voluntary termination or retirement, the employee must have given written notice of such to the Director, as outlined in the resignation section of this policy. Failure to have given such written notice will disqualify employee from receiving compensation for accumulated sick leave.

4. LEAVE SHEETS –Leave sheets requests for each absence must be filled out, signed by both the employee and Director showing the type of leave to be used, the hours to be used, and the balance of each type of leave remaining.

5. FUNERAL LEAVE-Any funeral leave will be granted at the discretion of the Director.

6. EMERGENCY LEAVE: Employees may be allowed to be absent from duty without pay if the Director approves such leave in advance of the leave. Any leave of absence without pay over two weeks in duration requires the prior approval of the Library Board of Trustees.

7. FAMILY & MEDICAL LEAVE ACT-The Library Board of Trustees adopts as its policy the Hand County Family & Medical Leave Act Policy.

8. JURY DUTY-The Library Board of Trustees adopts as its policy the Hand County Jury Duty Policy.

9. MILITARY SERVICE AND TRAINING-The Library Board of Trustees adopts as its policy the Hand County Military Service and Training Policy.

10. ADVERSE WEATHER CONDITIONS/EMERGENCY CLOSINGS-When the library is open and an employee is absent due to weather, such absence will be at the option of the employee, and be considered a day of vacation or a day without pay. However, if the library is closed for emergency reasons or severe weather, this shall be considered a day off with pay. Emergency and storm closings will be set at the discretion of the Director in consultation with the Board Chairman and the Hand County Commission Chairman.

The library will utilize a weather radio to monitor changing weather conditions, and will be equipped with lighted exit signs, flashlight or emergency candles, a first aid kit, and other supplies that the Librarian determines to be necessary. Local emergency management, police, sheriff, and other officials monitoring severe weather and emergency situations should be contacted when there is any need for information or help. If a siren is sounded indicating the need to take immediate shelter, the Librarian on duty will evacuate with patrons to the library designated safety area until the dangerous situation has passed. All patrons will be encouraged to stay in the building, but will not be forced to do so.

11. INSURANCE. The Hand County Library Board of Trustees adopts as its Insurance Policies (including Workmen's Compensation, Unemployment, Deferred Compensation,

Social Security, Vision, Dental, and Health), and all rates of benefits paid, the Hand County Worker's Policy.

12. RETIREMENT – The Hand County Library Board of Trustees adopts as its Retirement Compensation Policy, the Hand County Worker's Policy.

13. DRUG FREE WORK PLACE – The Hand County Library Board of Trustees adopts as its Drug Free Work Place Policy, the Hand County Worker's Policy.

14. POLITICAL ACTIVITY – The Hand County Library Board of Trustees adopts as its Political Activity Policy, the Hand County Worker's Policy.

ARTICLE III. Grievance and Appeal Procedure.

1. PURPOSE OF GRIEVANCE PROCEDURE. The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievance with regard to this personnel policy without discrimination, coercion, restraint, or reprisal against any employee who may submit to be involved in a grievance.

2. DEFINITION OF 'GRIEVANCE'. Grievance means a complaint by an employee concerning the interpretation or application of the provisions of rules or regulations governing personnel practices or conditions which complaint has not been resolved satisfactorily in an informal manner between the employee and his immediate supervisor.

3. RIGHT OR GRIEVANCE. Individual employees or groups of employees shall have the right to present grievances in person or through the formal representative, provided that any settlement reached is not inconsistent with the provisions of this agreement and the formal representative is given an opportunity to be present at such adjustments and that the grievance has been properly filed and adjusted according to the established procedure set forth in this article.

4. CONDITIONS UNDER WHICH RIGHT OF GRIEVANCE IS WAIVED.

Employees who voluntarily terminate their employment will have their grievances immediately withdrawn except where improper computations of wage or benefit payments are concerned and will

not benefit by any later settlement of an individual or group grievance. Failure of an employee to comply with any time limitation shall constitute a settlement of the grievance in accordance with the requested remedy. It is agreed that all times may be extended by agreement of all parties.

5. DEPARTMENTAL PROCEDURE. The grievant shall, within five (5) working days after occurrence, discuss the same with the Director or his designee and try to resolve the matter. If unable to do so, the grievant shall submit the grievance in writing to the Library Board of Trustees. Such written notice outlining the grievance shall specify the time and place that the grievance occurred, the relief sought, and the specific areas of this policy which have been misapplied or violated. This written notice shall be filed by the grievant within five (5) working days after his/her initial discussion with the Director. At the next meeting of the Library Board of Trustees, following receipt of the notice of disagreement, the grievant may appear before the Library Board of Trustees in executive session to discuss the grievances. Within five (5) working days after the meeting, the grievant will receive a written decision. If the grievant disagrees with the decision of the full board, he/she may within fifteen (15) working days after receipt of the decision, initiate an appeal to the Department of Labor Relations in accordance with the provisions of SDCL 3-18-15.2.

Conflict in Policy

In most instances, the Hand County Library Policies are in accord with the Hand County Personnel Policies. However, the Library Board of Trustees is a governing board and as such, may have policies of its own that differ from the Hand County Policies.

LIBRARY SERVICE POLICY

Within budgetary limits, library service shall be provided during the hours that best meet the needs of the patrons.

It is recognized that the Hand County Library is primarily a repository for books and allied materials to be loaned to residents of the county. Because of spatial and budgetary inadequacies, the library building cannot be made available for commercial, social or private functions. This policy

may be modified at the discretion of the Director, after obtaining the explicit approval of the Board of Trustees.

The Board recognizes that its circulation records and other records identifying the names of library users are confidential in nature. Such records shall not be made available to any agency of state, federal or local government except pursuant to such process, order or subpoena as may be authorized under the authority of, and pursuant to, federal, state or local law relating to civil, criminal or administrative discovery procedures or legislative investigative power.

Disputes or complaints should be brought to the attention of the Director, who is responsible for carrying out the policies of the Board. If the Director or the patron feels an issue has not been resolved, the patron will be asked to fill out a patron complaint form for consideration by the Board.

LIBRARY BEHAVIOR POLICY

The Hand County Library has established this Behavior Policy to ensure that library facilities are safe, welcoming and provide equitable access to materials and services for all library users.

Appropriate library conduct includes activities such as reading, studying, properly using library materials or computers and other similar conduct normally associated with a public library. No individual may engage in inappropriate conduct on the premises of the library, or when using library facilities, or when participating in library programs. Patrons not engaged in reading, studying, or appropriately using library materials or computers may be asked to leave the building. Inappropriate behavior shall include, without limitation by enumeration, the following conduct or behaviors:

- Committing or attempting to commit any activity that would constitute a crime or a violation of City or County ordinances.
- Taking or sending calls using cell phones or computers in public library areas.
- Engaging in any behavior that a reasonable person would find to be disrupting, harassing, or threatening in nature to library users or staff.
- Leaving children under the age of 7 unattended or under-attended on library premises.
- Entering or remaining on library premises with a bodily hygiene so offensive that it constitutes a nuisance to others.
- Bringing pets or other animals into the library unless an assistance animal.
- Violating the library's acceptable use of the Internet and library public computers.

LOAN POLICY

1. Library cards will be issued to residents of Hand County free of charge. A fee of \$20 will be charged to all out of county residents for a one year library card if the non-resident applicant does not pay real estate taxes in Hand County. A temporary library card of 90 days or less with a 2 item checkout limit will require the applicant to pay a deposit of \$25, refunded upon return of all library materials and payment of any fines, provided that the deposit is either retrieved in person or a self-addressed, stamped envelope is provided. If the deposit is not claimed after three months beyond the expiration of the temporary card, checks will be destroyed and cash will be deposited as a donation.

2. New patrons are defined as listed below:

1. Individuals or families who are new to the community.
2. Local and out of county residents with no current library card.

New patrons are limited to two items at a time for a 60-day probationary period. After the 60 day period, they may check out as many items as they are willing to be responsible for, providing the patron has established credibility and accountability in both the proper care of materials and the prompt return of materials borrowed. Patrons (new or established) who fail in this regard can be placed on probationary status at the discretion of the library director.

3. Books and materials not returned by closing time on the due date will be considered past due. The regular loan period for all materials except DVDs and VCR tapes is three weeks with one renewal providing the material is not reserved by another patron. DVDs and VCR tapes have a one-week loan with one renewal.

4. Renewals are allowed in person, by phone or e-mail unless an item is reserved for another patron, in which case the material must be returned by the date due with no renewals.

Reserves are held for one week following notification of patron. If an item has not been picked up by this time, the item will be released for others.

5. Patrons will be called to notify them of any overdue materials, as staff time allows.
6. No additional materials may be checked out and no library services such as computers may be used until all past dues are returned and all fines paid.
7. When the Director declares a borrowed item non-returnable due to damage the borrower shall be charged the replacement price of the item plus \$3.00 service fee. Lost or damaged magazines will incur a \$5.00 charge with no service fee.
8. An item shall be considered lost when it has not been returned within 6 weeks after it is past due. The patron will be notified of the replacement cost plus the \$3.00 service fee which will be payable immediately. Non-return of library property, or refusal to pay fines in a timely manner could be considered theft, and will be handled accordingly. If a patron claims to have returned an item that the library believes is still checked out to him or her, the following procedure will be followed: (1) The library staff will search for the item once a week for 6 weeks. (2) If the item is not located after the 6-week search, the patron will be billed for the replacement price plus a \$3.00 service fee.
9. The Board accepts the responsibility for borrowing materials beyond its own resources by using inter-library loan services. Expenses associated with such loans, including all fines, fees, and postage, will be born by the borrowing patron.
10. The Library does not assume any liability for groups or individuals using the library for any reason.
11. Members of a family unite (parent(s), guardian(s), and children under 18) will be considered a single patron when applying circulation policies. Checkouts, overdues, and fines by any family member will trigger consequences as outlined in this policy for all family members.

REFERENCE AND READER'S ADVISORY SERVICES

1. REFERENCE QUESTIONS

An attempt will be made to answer all questions with the exception of legal and medical questions other than definitions. The staff will offer addresses for referrals and quick instruction of the library materials so that the patron may help himself find the answer.

One hour of searching by the staff may be given per request. Searching longer than one hour will not normally be done. Genealogy and local history searches are available on a limited basis, as staff time allows. A suggested donation of \$10 will be accepted for limited or basic searches.

II. PHOTOCOPYING

The library provides copying to the public for a suggested donation of .25/copy.

III. ACQUISITIONS

The aim of the Hand County Library is service to all people. This encompasses individuals and groups of every age, education, philosophy, occupation, economic level, ethnic origin and human condition. Fulfilling the educational, informational and recreational needs of these people is the Hand County Library's broad purpose. More specifically, it helps people keep current with change in all areas, educate themselves continually, become better members of their families and communities, become socially and politically aware, be more capable in their occupations, develop their creative abilities and spiritual capacities, appreciate and enjoy literature and art, contribute to the overall expanse of knowledge and stimulate their own personal and social well-being. All print and nonprint materials are selected by this library in accordance with these basic objectives.

Materials may include books, periodicals, pamphlets, newspapers and non-book media. Suggestions for library acquisitions are accepted from the public, but the final responsibility for selection of books and library materials is and shall be vested in the Director. However, that person shall be

assisted and guided by members of the Board, and such members of the staff as are qualified by reason of training.

SCOPE OF THE COLLECTION

The library recognizes the purposes and resources of other libraries in the community and shall not needlessly duplicate functions and materials.

The library acquires textbooks and other curriculum-related material when such material serves the general public.

For the purpose of preserving our cultural heritage, the Board instructs the Director to acquire acceptable written material pertaining to South Dakota and its history that meet current standards of quality and longevity.

All books, materials and other items stored in the designated Historical Room will not be available for circulation, except in rare instances at the discretion of the director.

GIFTS POLICY

The Director on behalf of the Library Board may accept unconditional gifts, donations, and contributions to the library. No gifts or donations conditionally made shall be accepted without the approval of the Library Board and then only in exceptional circumstances.

Collections of books will not be accepted with restrictions or which necessitate special housing, or which prevent integration of the gift into the general collection.

The same standards of selection will govern the acceptance of gifts as govern purchase by the library. If material is useful but not needed, it may be disposed of at the discretion of the library.

The library is not allowed to give tax receipts because the IRS does not recognize directors as book appraisers. The library may give a receipt stating exactly what was given, but may not assign a monetary value to it.

The Director may refuse anything that does not fit the board-approved policy.

Objects other than traditional library materials will be accepted, displayed, and disposed of at the discretion of the Board of Trustees.

MAINTAINING THE COLLECTION

The Director shall be responsible for maintaining a relevant and current collection of library materials suitable for needs of the patrons. Systematic withdrawal of materials no longer useful is necessary in order to maintain relevant resources. The decision to withdraw library material shall be based on the physical condition, use of the material as determined by last date of loan or by information factor, especially in the area of the sciences. Library staff members are to be thoroughly instructed with regard to the NECESSITY for discarding materials.

Withdrawn materials may be destroyed, offered for donation, given away or otherwise disposed of at the discretion of the Director. Materials withdrawn due to loss, damage, or wear are not necessarily replaced.

CENSORSHIP

The selection of library books and materials is predicated on the library patron's right to read and, similarly, his freedom from censorship by others. The Board accepts the American Library Association's Library Bill of Rights as its overriding guide to library service at the Hand County Library. Many books are controversial and any given item may offend some persons. Selections for this library will not, however, be made on the basis of anticipated approval or disapproval, but solely on the merits of the material in relation to the building of the collection and to serving the interests of the readers.

The trustees and personnel of this library hold censorship to be a purely individual matter and declare that anyone is free to reject for himself/herself books and other materials which he/she does not approve.

However, individuals cannot exercise the right of censorship to restrict the freedom of others.

With respect to the use of library materials by children, the decision as to what a minor may read is the responsibility of his parent or guardian. Selection will not be restricted by the possibility that books may inadvertently come into the possession of minors.

It is the right of any citizen of Hand County to recommend library materials for selection consideration by the Hand County Library. It is the obligation of the Board, Director and his/her staff to consider such recommendations with the same evaluative criteria established above.

It is also the right of any citizen of Hand County to question any library material selected by the Hand County Library since opinions may differ in our democracy. Such questions shall be presented in writing on forms supplied and made available by the Director and shall be specific as to title and nature of the material being questioned. This request for reconsideration will be decided by the Board of Trustees, and will be evaluated based on accepted evaluation and review criteria.

CULTURAL GOALS

Recognizing that libraries are more than repositories for books and similar items, the Board encourages cultural and educational groups that enhance the intellectual environment of the County by maintaining as complete a collection of supporting material as is financially possible.

The library facilities shall be available for individual research or study. It is also a repository for printed and photographic material that is peculiar to Hand County.

COMPUTER USE POLICY

The mission of the Hand County Library is to provide high interest, high demand materials for people of all ages, encourage young children to develop an interest in reading and to support all individuals pursuing a sustained program of life-long learning.

The Library's computer system provides the opportunity to integrate electronic resources from information networks around the world with the Library's other resources. The Internet enables the Library to provide information beyond the confines of its own collection. Currently, however, it is an unregulated medium. As such, while it offers access to a wealth of material that is personally, professionally, and culturally enriching to individuals of all ages, it also enables access to some material that may be offensive, disturbing and/or illegal.

Through the South Dakota Library Network and other research sites, Library staff will identify specific starting points for searches that are appropriate to the Library's mission and service roles. The Library cannot control or monitor other material that may be accessible from Internet sources. Individual users must accept responsibility for determining content of Internet resources.

The Library upholds and affirms the right and responsibility of each individual to have access to materials and resources and to use such materials and resources in an ethical manner. The Library also affirms the right and responsibility of parents to determine and monitor their children's use of Library materials and resources.

CONDITIONS AND TERMS OF USE IN THE LIBRARY

In order to encourage use and establish guidelines, the following regulations will apply to all computers accessing the library's Internet service:

- All users are expected to use the resources in a responsible, ethical manner which includes but is not limited to the following:

- Using resources for educational or information purposes only, not for

- unauthorized, illegal or unethical purposes.
- Respecting the privacy of others by not misrepresenting oneself as another user, by not attempting to modify or gain access to files, passwords or data belonging to others, by not seeking unauthorized access to any computer system, or damaging or altering software components of any network or database.
 - Abiding by all current copyright laws.
 - Not sending, receiving, or displaying text or graphics that may reasonably be construed as obscene.
 - Prospective users will sign in to use the Internet and computers. By signing in, the user agrees to all policies that govern use.
 - The Hand County Library assumes no responsibility for the use of the Internet by children. It is not possible for the Library staff to control specific information children and youth may locate on the Internet. It is the responsibility of the user (or the parent, guardian or caregiver) to determine what is appropriate.
 - Internet stations will be available on a first come, first served basis. Sign in sheets will be provided for listing time in and time off. Use will be limited to 20 minutes when others are waiting. Extended use will be considered on a case by case basis, at the discretion of the library staff. Playing games, while not prohibited, will have the lowest priority for determining computer fair use.
 - The Library's Rules of Conduct concerning behavior will be applied. One person at a time will be allowed per computer. No food or drink will be allowed at the computer stations.
 - Misuse or abuse of computers or Internet access, or failure to comply with any rules in this policy, can result in suspension of computer and Internet access privileges. Persons using this equipment agree not to make any changes to the setup or configuration of the software or hardware. Making deliberate changes or doing damage to any computer equipment will result in suspension of computer privileges and the repair or replacement cost will be charged to the individual.
 - Library staff is available to offer limited assistance in the use of these resources, but may not be familiar with every application patrons might wish to use. Due to scheduling and budget constraints, there may not be staff available to assist at all times. Because of the many different Internet applications available, we cannot provide complete technical support. The library staff will address reference questions as time allows.
 - Computer users should notify staff of any equipment problems they are having, and should not shut down or attempt to fix problems on their own. Staff members will begin shutting down computers ten minutes before closing time each day.

Additionally, the following guidelines apply to students wishing to play games on library computers:

1. Students may sign up for a computer only *once* per day. A time limit of one hour will be enforced, or 20 minutes maximum if someone is waiting to use a computer.
3. Only one person per computer with no watching others.
4. No talking allowed, and earphones must be used for games with sound.
6. No eating or drinking allowed at computers.
7. Failure to follow the rules may result in loss of computer and/or library privileges.

PROCTORING POLICY

Purpose

As part of its mission to support lifelong learning, the Hand County Library provides test-proctoring services. The purpose of this policy is to state the conditions of this service.

Conditions

Test-takers must be Library cardholders in good standing.

The Library will proctor exams in paper, e-mailed, or online format. Any printouts will be charged to the student at the Library's current rate.

While the Library does not charge a fee for proctoring, all expenses, including copying and postage, will be paid by the test-taker. Out-of-county residents will be required to acquire a valid library card with payment of the current fee for the card.

The test-taker is responsible for all arrangements, including:

- Obtaining Library permission for proctoring, as well as reading and signing this Proctoring Policy.
- In the case of a written exam, arranging for its delivery to the Library with any required signatures, and providing materials (addressed envelope and postage) for its return to the testing institution.
- Library staff will proctor exams by appointment only, at least three days in advance. Exams must be taken during library open hours and must be completed 15 minutes prior to library closing time. It is the test-taker's responsibility to notify Library if they are unable to make the appointment.
- Arriving on time with appropriate identification and any supplies required for the exam. The test-taker should not bring a cellphone or other test-prohibited items into the Library.
- Online testing will take place on a public computer with word processing and Internet access. **It is the student's responsibility to verify that the Library's computer resources are adequate for their test-taking requirements.**

- Verifying that the testing institution has received the completed examination.

The time of testing will not be scheduled until the test (or instructions for access to an online test) have been received by the Library.

The Library is unable to provide a locked, private, or secure location for the test. Proctors will not monitor a student continuously during the exam, but may check on the student periodically. Further, the library cannot guarantee a quiet environment while taking the test.

The Library will verify that these proctoring conditions are acceptable to the testing institution. If these conditions do not meet the student's needs, the student should pursue other proctoring options.

Due to legal and ethical concerns, staff will not sign a proctoring verification that attests to more than they are able to do as set out in this policy.

Proctoring is provided subject to the availability of staff and computers.

The exam or the instructions for taking the exam online must be sent along with all test-taking requirements to:

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
- V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
- VI. Libraries that make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.
