

April 2 agenda  
11:00 AM

Hand County Commissioners

March 26, 2019

Gentlemen:

Adam Barka of Christensen Farms has requested to be on the agenda for the April 2<sup>nd</sup> meeting to discuss their plans for future development. I wanted to let you all know, in case you didn't. I have an envelope with their plans in my office, if you want to stop and look at it. I don't know if he will bring copies for all of you or not. They have plans to build one facility for 2,490 head (996 animal units) in section 11-116-68 (Park). This is what they purchased from Dean Edgar in December 2018. They, also, have plans for an addition facility of the same size in the south ½ section 20-115-67 (Carlton). This is owned by Strasburg Farms (Gary), but Christensen Farms is planning on purchasing some land. Let me know if I can be of further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry Augspurger'. The signature is stylized with a large initial 'T' and a prominent loop.
