December , 2017

PERSONNEL

- **Chelsea Kendrick:** will reach her two year anniversary in January. We will be doing her performance evaluation in the next couple weeks.
- **Jordan Brummel:** Jordan has also asked to be an USPT deputy to help fill in during vacancies. As a certified officer, I would also request he be paid at \$17.95 per hour on the 2017 pay scale.
- **Deputy recruitment:** I conducted three interviews in November. Two were certified and one was not. I am hoping to complete three more interviews this month and have a recommendation by the year end meeting.
- **Patrick Price:** Patrick helped Chelsea Kendrick transport an adult male prisoner back to prison. This is much the same arrangement we have when a male deputy takes a female matron along when transporting a female prisoner. I would like the board to ratify hiring Patrick Price as a jail guard. He would be paid the same rate as the jail matrons.
- **Nehemia Volquardsen:** Nehemia is currently listed as a part-time employee doing assistant work for the Emergency Manager. I would like to get permission to use him as civilian help in my office as well. He can transport prisoners, do car / deer accidents, take overnight call, basically anything that does not require a law enforcement officer.
