

Newsletter & Commission Report November 8, 2018

PERSONNEL:

- We have no new applicants for sheriff (as of today's meeting date). I am working with the applicant from Florida to set up a date for in person interview.

TRAINING:

- Deputies Sahli, Croeni and I all did handgun training / qualification in October. Constable / Office Manager Price also participated. All staff is current on hand-gun training.

OPERATIONS:

- We are back to a seven day schedule.

EQUIPMENT:

- The 2008 GMC had a traction control / anti-lock braking system malfunction. While repairing it, it was found a steering component was also in need of repair. Otherwise the vehicle is solid.
- Tony's repair beat the two other bid submitter's (Stobbs and A+) for replacement tires on the 2017 Ford.
- Chelsea Price and I have prepared a list of supplies / small property which we want to declare as surplus and either discard, donate to another agency, or recycle.
- I would like to purchase three new Taser devices. Our current units are 10 years old and in need of repair.

GRANTS:

- We have recovered \$2,618.56 in overtime reimbursement for the Office of Highway Safety grant program. This is year to date. It also closes out the FFY 2018 grant period.

ACTIVITIES:

- My **YEAR TO DATE** activity report is attached to this newsletter. This information is also uploaded to the sheriff's page on the Hand County Website. It can be reviewed at any time.
