

Liquid Asphalt Specifications

Items to be furnished are during the period from 2019 bid letting. All items to be delivered to locations within Hand County and pumped into storage tank or as noted below:

1. **Liquid Asphalt Road Material:** All emulsified asphalts and cut back asphalts shall be delivered at application temperatures as specified by the ^{SDDOT}~~SDDH~~ Standard Specifications *MP* for Roads and Bridges. There will be a \$12.00/Ton penalty on all tonnage arriving lower than the specified temperature. There will be a \$100.00/hour or fraction thereof, penalty for all asphalt shipments arriving more than 60 minutes beyond the time ordered. Hand County shall deduct all such penalties from payments to the party furnishing the asphalt material. Hand County will be allowed 2 hours to unload any and all transport loads of asphalt. (See agency language on next page) *MP*
