Getting started with OverDrive

With OverDrive, you can borrow and enjoy free eBooks, audiobooks, and more from your library's digital collection. All you need to get started is an internet connection, **a library card number** (from the Hand County Library, contact information is below) and these three steps:

1. Find your library

Find and open your library (Hand County Library) collection using one of the following:

- Our new Libby app (recommended for **public library users** on Android, iOS, Kindle Fire, or Windows 8/10 devices)
- The original OverDrive app (for **all other library users** on Android, Chromebook, iOS, or Windows 8/10 devices)
- OverDrive.com (for any user on a Windows or Mac computer)

2. Borrow

Borrow a title from your library's digital collection. You'll need a valid library card to complete this step. (You will also need to add 2 zeros to the end of your library card number.)

3. Enjoy

You can enjoy many titles immediately online, download them for offline use, or send borrowed eBooks to a Kindle device for the duration of your lending period.

You can also transfer titles from your computer to compatible eReaders or MP3 players.
