Greetings Township Clerk:

The number one problem we encounter throughout the year is being able to communicate effectively and quickly with township board members. Especially the clerks and the treasurers.

This year we are going to do things a little different and hopefully for the better. To aid in bridging the gap that can appear with townships, we want to move more towards email correspondence and less towards regular mail. Not that we dislike the mail but it can take three days to get an item delivered and three days to get it back and then the time in-between to review and complete the request.

State law requires the township board members provide the emergency manager and the auditor their contact information. We in turn are required by law to maintain this list. I have told the emergency manager that I can create and maintain the list in this new, much larger, format as seen on the back of this page.

Please return this form to the auditor's office by email, mail or in person, along with your other reports, by March 31, 2021

**To protect your privacy, I will not publish or share, except where required by law, your cell numbers or email addresses.**

Thank you in advance for your help and your service to the community!

\*\* If you don't have a home phone anymore, place an "X" in that box.

\*\* I don't need the area code unless you have something other than 605.

Additionally, I can receive text messages on my cell: 605-204-1049. If you need to speak to me, call the office as I often have the ringer turned way down to prevent disruption.

2021 Township board members are:
