Dear Aflac Partner,

Thank you for being a valued client of Aflac. We appreciate your continued partnership to help your business and employees. It's important to review your health and voluntary insurance offerings at least once a year. With the annual open enrollment period approaching, your agent will be reaching out to schedule time to meet and plan your open enrollment offerings.

Scan the QR Code to see available product offerings ranging from COVID coverage to Aflac's new Dental.

Dental (NEW) Vision (NEW)
Hospital Indemnity
Critical Illness

Cancer/Specified-Disease
Short-Term Disability
Accident

In addition to the above, we can discuss other business solutions that are available, such as: streamlined enrollment processes, benefits review and education, new product offerings, coverage enhancements, claims assistance, and technology solutions.

We value the trust you and your employees have placed in Aflac and will continue to be here when you need us most. We look forward to connecting soon! Should you have any questions prior to your review please either reach out to your Aflac agent, or contact our Market Office at the email below. We look forward to connecting with you.

Sincerely,
