Greetings Township Clerk:

In the last two years I have tried to build a solid address book of township officers. I've also undertaken to protect email and cell phone numbers. I keep two lists, the one required by state law contains everything except the email and cell numbers. The "confidential" list has the emails and phone numbers but are only given to staff who absolutely need it. I'm guessing this has worked out for you because I've not had any negative feedback on it.

Like last year, I'd still like to be able help you by use of emails and text messages. I know many of you, like me, often have something going on when the phone rings and we have to divide our attention. Sometimes that is not safe to do. You are more than welcome to email me any time. I am your auditor 24/7/365 and I check my email on my phone with some regularity. I am also available by text (605 \* 204 \* 1049) or contact me via Facebook messenger. I will let you know that I do place my phone on "do not disturb" mode between 11p and 7a daily.

Just like last year, please return this form to the auditor's office by email, mail or in person, along with your other reports, by March 31, 2022

**AGAIN: To protect your privacy, I will not publish or share, except where required by law, your cell numbers or email addresses.**

Thank you in advance for your help and your service to the community!

\*\* If a board member does not have a home phone anymore, place an "X" in that box.

\*\* I don't need the area code unless you have something other than 605.
